ROAD TRAFFIC (SPEED LIMITS) (JERSEY) ORDER 2003

THE ENVIRONMENT AND PUBLIC SERVICES COMMITTEE, in pursuance of Articles 21 and 84 of the [Road Traffic \(Jersey\) Law 1956](#), orders as follows –

Commencement [[see endnotes](#)]

1 Interpretation¹

In this Order –

“road” includes part of a road;

“speed limit” means the maximum speed at which a motor vehicle may be driven.

2 30 mph speed limit²

A person must not drive a motor vehicle at a speed exceeding 30 miles per hour on a road specified in Schedule 1.

3 20 mph speed limit³

A person must not drive a motor vehicle at a speed exceeding 20 miles per hour on a road specified in Schedule 2.

4 15 mph speed limit⁴

A person must not drive a motor vehicle at a speed exceeding 15 miles per hour on a road specified in Schedule 3.

4A Part-time and temporary speed limits indicated by traffic signs⁵

Notwithstanding any provision of this Order to the contrary, a motor vehicle shall not be driven on any road at a speed exceeding that indicated by a traffic sign –

- (a) placed and operated by the Minister in accordance with Article 4B or 4C;
- (b) during any period when the traffic sign is in operation; and

- (c) from when the vehicle has passed that traffic sign until it has passed a traffic sign indicating the end of the speed limit or the beginning of a different speed limit.

4B Part-time speed limits at schools⁶

- (1) A traffic sign –
 - (a) may be placed no further than 500 metres from any pedestrian access to a school; and
 - (b) may operate –
 - (i) at any time between the hours of 8 a.m. and 5.30 p.m. on any day when the school is open to children, and
 - (ii) at any other time when the school is open to children.
- (2) A traffic sign placed and operated in accordance with paragraph (1) shall –
 - (a) comply with Article 52 of the Road Traffic (Signs) (Jersey) Order 2026; and
 - (b) indicate a speed limit of 20 miles per hour.⁷

4C Temporary speed limits in relation to works and events⁸

- (1) If works are being executed, or an event is taking place, on or in the vicinity of a road, the Minister may place a traffic sign –
 - (a) on that road; and
 - (b) on any other road onto which vehicular traffic is diverted as a result of those works or that event.
- (2) A traffic sign placed in accordance with paragraph (1) –
 - (a) must indicate the speed limit that applies to the road or roads concerned; and
 - (b) must be in permanent operation.

4D Speed limits imposed by traffic signs before amendment legislation commences⁹

- (1) This Article applies if legislation amending this Order to impose a speed limit on a road (“amendment legislation”) is made but not in force.
- (2) The Minister may place, on or near the road, a traffic sign indicating that speed limit at any time starting –
 - (a) on the 7th day after the amendment legislation is made; but
 - (b) no earlier than the 21st day before the amendment legislation comes into force.
- (3) A person must not drive a motor vehicle on the road faster than the speed indicated by the traffic sign.
- (4) The speed limit imposed by the traffic sign overrides any other speed limit imposed by Article 2, 3 or 4.

- (5) This Article no longer applies when the amendment legislation comes into force.
- (6) Example: An amendment Order is made on 1 July 2025 to impose a speed limit of 20 mph on a particular road, coming into force on 31 July 2025. The date under paragraph (2)(a) is 8 July 2025 (the 7th day after the amendment Order is made). But the date under paragraph (2)(b) is 10 July 2025 (the 21st day before the amendment Order comes into force), so that is the earliest date on which the Minister may place a traffic sign indicating the speed limit.

5 Citation

This Order may be cited as the Road Traffic (Speed Limits) (Jersey) Order 2003.
